Dear Parents,

Sri Vidyalakshmi Group of Institution. We have been in the field of quality education from 2012. We have the finest infrastructure and resources, as well as, advanced learning for all our students. Hence the children learn with great enthusiasm, developing natural desire for life long. Learning by creative methods help children to learn beyond theoretical knowledge. We strive to endow the student with a platform helping them to broaden their horizon and in the process provide them healthy refined, holistic & substantial education. We arm our students with technological supremacy and help them integrate it with values as we firmly believe every child has the potential to achieve something significant. Our vision to create a school where learning is defined by the child's inherent desire to learn inspired by a philosophy of love, joy & faith in the child as a learner, & guided by educational research and knowledge development. "What sculpture is to a block of marble". Education is to the human soul. My deepest desire is to serve the mankind through enlightenment of education now & forever.

As the founder Secretary of the school. I anticipate the full participation and co-operation of student & parents to make it possible for us to lead the young generation for their bright-future and in them lays the development of our country through enlightenment of education.

"Education is most powerful weapon which you can use to change the world".

With warm regards
