CEO Message

Dear Parents,

As an educationist and a person at the helm of my school affairs, I strongly believe that the “Destiny of a nation would be shaped in its classrooms”. Education and its power to drive a generation is undoubtedly the most formidable pillar out of all the pillars that our society is built upon. As a technocrat, I trust that education over the years has undergone a metamorphosis. Technology has become an integral part to present day education. I strongly believe that the future needs innovative and creative minds built upon solid moral and ethical values rather than minds with huge memorizing abilities. I strongly opine that “School is a temple where teaching is a spiritual mission”. Sri Vidyalakshmi has always been instrumental in imparting knowledge that encompasses the prescribed syllabi of the institution as well as that of the world beyond classroom.

I believe in enabling every knowledge seeker at my institution to enjoy the wings of freedom tempered with roots of responsibility. I believe in building and strengthening such individuals who will not crumble when tested in the crucible of adulthood. I would strive my best to provide opportunities for the development of leadership qualities that can be harnessed in future for the creation of a better and strong India, an India that can hold its head high in the community of nations.

Dr. CHANDANA S
CEO

Sri Vidyalakshmi International Public School

Today's Child - Tomorrow's Hope

Principal - Academic Director's Message

Dear Parents,

The hardest job of any Principal is the same as it has always been - ensuring that all pupils achieve their fullest potential. As a Principal this remains my fundamental aim. The years spent at school crucial for students to develop core values, work ethics and positive attitude to learning. Our beloved parents are our active partners in this mission and quest.

The progressive vision of our founder has embossed a blue print of excellence and abiding values to help our pupils grow into men and women of high potentialities and character. Our school/college follows a holistic approach in teaching. Activity based method, project method, interactive method etc are appropriately used. Sri Vidyalakshmi is the seed ground for those who wish to be leaders and path breakers, for those who shall experiment with the cutting edge of contemporary thought and creative expression, for those who shall dare to give shape to their dreams and aspirations and those who shall be the flag bearers of human values. This has set a high benchmark for us to prepare our children and enable them to face all challenges while striving for excellence. Education releases capacities, develops analytical abilities, instills confidence, will power and goal setting competencies, and the vision that will enable a person to become a self-motivated agent of social change, serving the best interests of the community.

Sri Vidyalakshmi realizes that pre-primary education lays foundation for the future education of every child. Hence at Sri Vidyalakshmi, a gamut of activities within and outside our classrooms provide experiences that helps every student discover innate capabilities, set goals, find missions, have aspirations to excel and tirelessly work towards their fulfilment. A rigorous academic life, supported by state of the art infrastructure, technology and a team of committed faculty has made outstanding results our hallmark and the cultural stage along with sports field our passion. The campus pulsates with vibrant energy of co-curricular activities which encourages bonding, sharing, respecting each other, assuming responsibilities and finding happiness.

H.G SIDDALINGAIAH

Principal / Academic Director

Sri Vidyalakshmi International Public School

Message from Secretary

Dear Parents,

As the Secretary of Sri Vidyalakshmi Group of Institutions, I firmly believe that the moments spent at school must be the best moments of an individual's life time. As the head of academics and with more than 14 years of experience as an administrator and an educator, I am delighted to share with you that the school's values align with my own personal values, including the importance of trust, respect, innovation and a sense of community. We are a caring community where students' needs are a priority and where traditional Indian Culture and modern Western educational values are respected and encouraged to coexist.

Aristotle once said that - "Educating the mind without educating the heart is no education at all". We live today in a world that is so very different from the one we grew up in and were educated in. The world today is changing at such an accelerated rate and I as the Secretary/Administrator is duty bound to pause and reflect on this entire system of Education. I would wish to reassure our parents that Sri Vidyalakshmi has all the resources at its behest to mould your children and produce well balanced personalities. The curriculum will continue to be regularly reviewed to ensure that it remains appropriate and relevant to the needs of our young learners.

My heart is filled with immense pride to share with you that Sri Vidyalakshmi International Public School is amongst the leading CBSE School in Magadi Road, Bangalore. We have achieved outstanding results by securing 100% and top 500 schools in India in CBSE AISSE 2018 Examination in a span of 1st Year itself. I believe that success comes to those who work hard and stays with those, who don't rest on the laurels of the past. I will continue to mould our children on the lines of Margaret Mead who once said "Children must be taught how to think, not what to think".

Never doubt that a small group of thoughtful committed citizens can change the world. Indeed it's the only thing that ever has.

SMT. MANGALA SIDDU

Founder Secretary

Sri Vidyalakshmi International Public School

“ Knowledge will bring you the opportunity to make a difference ”

The spoken word is a wondrous thing
Link or rupture. both can it bring.
One spells accord. the other discord,
Both of them are decreed by the Lord!

**WHILE ADDRESSING
OTHERS, BE DIGNIFIED
AND CORRECT.**
